presents

HOOPlnosis **The ritual**

Duration:
35 min

Disciplinas:
Big Hula Hoop,
contortions, acrobatics
interaction with the public.

°°HOOPnosis°° is a ritual.

It's a funny and hypnotic ceremony where the luckiest in the audience have a privilege to experiment a physical and acrobatic experience.

The trance will happen in a magical atmosphere with strange circles and twisted bodies to make visible how, with just some little astounding suggestions, the impossible can become possible.
